

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST04417CH

This certificate issued to Global Aerospace Design Corporation
3825 Edwards Road, Suite 103
Cincinnati, OH 45209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certificate Data Sheet No. A1NM for complete certification basis)

Original Product - Type Certificate Number : A1NM

Make : Boeing

Model : 767-300 Series

Description of Type Design Change:

Provisional installation of the Envoy Data Link with Iridium system for Aircraft Communications Addressing and Reporting System (ACARS) and Controller Pilot Data Link Communication (CPDLC) in accordance with Global Aerospace Design Corp. Master Drawing List 18GR164-MDL-2, Revision E, dated June 27, 2019, or later FAA approved revision.

Limitations and Conditions:

1. The installer must determine whether this design change is compatible with previously approved modifications.
2. FAA Accepted Instructions for Continued Airworthiness, 18GR164-ICA-2, revision A, dated June 27, 2019, or later FAA accepted revision is required for this modification.
3. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 15, 2019

Date reissued :

Date of issuance : July 18, 2019

Date amended :

By direction of the Administrator
